Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Delray Beach Police Equipment and Technology Upgrades in fiscal year 2024. The entity to receive funding for this project is the Delray Beach Police Department, located at 300 West Atlantic Ave, Delray Beach, FL 33444. The funding would be used to create a surveillance monitoring initiative to better observe, detect, and prevent crime throughout the city of Delray Beach through the use of cameras strategically placed throughout the city. The project is an appropriate use of taxpayer funds because it directly helps detect and prevent crime within the city and adds a technological layer of safety to the citizens and visitors of the city.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lois Frankel
Member of Congress
